

words "as prescribed by Government from time to time", so that there will not be any necessity to amend this Rule each time a revision is made in respect of allowance.

Rules 107, 108 and 109 of K. P. M. Except in Central Prison, Cannanore there is no post of Nursing orderly in the other Central Prisons, Open Prison and District Jail. From practical experience it is found that the services of a Nursing orderly are quite necessary in each big institution. The staff pattern in outside hospital has also been considered while framing the Rules 107, 108 and 109. In chapter XXXIII of Model Prison Manual, provision has been included to have hospital attendants. Hence Rules 107, 108, 109 and 110 of KPM have been incorporated to include Nursing orderlies also.

Rule 111 of K. P. M. is a reproduction of old Rule 59. However Open Prison and District Jail have also been included to strengthen the Medical administration of these institutions.

Rule 112 of K. P. M. The intention of this Rule is the same as the old Rule 60. But the rate of allowance is not mentioned in the new rule. The intention is to avoid amendment to the Rule every time revision is made in respect of allowance to the Medical Officer.

Rule 113 is a verbatim reproduction of old rule 61.

Rule 114 of K.P. M. Modification has been made to the old rule 63, since the Psychiatrist services are available in the District Hospital, Cannanore. Therefore the Psychiatrist attached to the District Hospital, Cannanore can look after the needs of Central Prison, Cannanore, instead of the Psychiatrist from Mental Hospital, Calicut visiting the Central Prison, Cannanore for this purpose.

Rule 115 of K. P. M. In the old Rule 62, the Psychiatrist need visit the Central Prison once a month only. This is found to be inadequate. Hence the number of visits has been raised to "at least twice a month".

Rule 116 of K. P. M. As per Chapter IX of Model Prison Manual there is provision for appointment of Psychologist in major Prisons. Hence a provision has been made in the new Rule to achieve this.

Rule 117 of K. P. M. The purpose of this rule is that of old Rule 64. However the rate of allowance is not shown and instead the words "as prescribed by Government from time to time included".
